- 13-276 Court or Councy Pleas.-Nothing was

the day of the number. Saw him a week before, in a wagon. He passed me with a same abore, and wagon. He passed me with a same abore, and wagon. He passed me with a same was raised. Hughes do to the number of times. Have known Hughes five or six years. Can't say how many lime I've say had had at Bedford. Mears, Cook Wells, Strong and myself came in with him. Heard Hughes see ye he had done what he had intended to do if she would not be willing to consent to go with him; that ahe was his law where he intended to hoo be rise to have been diraked. First while where he intended to hoo first was added and used some medical behalf and used some what he contents and gave the finak to Mr. Strong. He then gave the pistol or revolver to Mr. Wells, when the highs to he will be had since the high to head as the rest of them." He said he had strongly with it on the trial. I said, "Mr. Hughes, you ought to give he sointhing at the office that he would be had something at the office that he would be had something at the office on Thursday, I thinks, as well as the rest of them." He said he had something at the office that he would be had something at the office that he would be had something at the office on Thursday, I thinks, the was arrested on the had something at the office has he would not be withing to get out. Ecfore getting there McKinsty had met us, and came back with year wanting og of one; the said was a through with it on the trial. I said, "Mr. Hughes you ought to give he househing at he office on Thursday, I thinks was arrested on the day the had something at the office on Thursday, I thinks the was through you ought to give he househing the proposal of the proposal of the proposal of the proposal o

har-room and all took wented to drive around by his office to get some money he had there. We refused to let him go there; told him the sheriff would go with him. Hughes looked out of the carriage and saw a colored man, who spoke to him. Hughes said he had seved his life, or some thing to that effect. Hughes said he had been from the highest circles of Europe to the lowest in his country; had been in the Crimean war and had been in service in this country; that half of his lift was spent in that manner, and now the balance would end in a love tragedy. Don't remember any more he said about his life. I handed the pistol to Hughes, and he took it apart and showed us the inside, and handed it back to Mr. Wells. All the barrels were in that manner, and now the balance would end in a love tragedy. Don't remember any more he said about his life. I handed the pistol to Hughes, and he took it apart and showed us the inside, and handed it back to Mr. Wells. All the barrels were loaded. He said he had replaced the cartridges he had fired, and thought at one time he would put it to his month and blow his brains out. his brains out; then thought he would lie down and take a nap. His manner was the same as when I had seen him before. In the sarriage, I said he took it very cool. He said in response that he was no coward.

Cross Ermination: Don't know how long I have known Hughet—never knew him days can be for at all excit to make him and energy long. at all except to pass him and speak. Don't remember the conversation in the carriage well enough to say whether I have given the exact language used or not. I have given it as near as I can recollect.

TESTIMONY OF MR. STRONG. Ohio Independent Battery was paid and finally discharged at Camp Chase, on Tuesday.

Beventy-five dozen Silk Scarfs, just received, and will be sold for one dollar each, at Mott & Haidht's, 141 Superior street, under Weddell House.

Lecture is Arrox.—George Alfred Townsend, the brilliant war correspondent, will end, the brilliant war correspondent, will time he saw her he set his affections on her time he saw her he set his affections on her.

He said he was willing to give his life for hers, that they could do what they chose with him, hang him, or what they chose He said he had been in the society of crowned heads and the lowest vagabonds on carib. He specified now of his practice now, if this thing had not occurred. He pointed out a colored man and said he had saved his life. He said he had saved his life. He said he meant that no other man should ever possible meant the possi

Columbus Journal learns from the Compiroller of State that the total circulation of the Pree and Independent Banks of Ohio on the 15th of November, 1864, was \$1,521, on the 15th of November, 1865, the bours ago and I had not seen her since. He then said, "My friend, you've been too busy in my affairs of late," and related what a good friend he had been to me and my family, which indeed wes true. At this decrease of circulation during the year of \$1,667,684.

Court met at nine o'clock yesterday morning. We append the testimony taken during the day:

Several days, and even a week on a stretch.

This excitement would increase as he continued drunk. Once he acted so had, fighting the day:

Several days, and even a week on a stretch.

This excitement would increase as he continued drunk, Once he acted so had, fighting the day:

This excitement would increase as he continued of the more accordance of the more accor

ion of the following poem, of which he is

the author: The Rebeit rend our banners, We quaker ladtare on the road. To teach them better manners. These snow-drifts are our native dews, The frozen fields our paliets, The thunder of our guas pursues Our avalancies of ballots: Ere treason for its charter gets One foot of our free heather, We'll drive a million bayonets To pin the shreds together.

Ere half the land its creed profess If madness what them in the wars. To haunt our nuward marches,

Their blaring towns shall fire the stars. To make our Christmas torches. The bugles of our bivonacs

Their pale girls care shall tingle
Our shells shall shake their chimne
To tell their buys, Kris Kingle.

The subre-clang in the meles Shall drown their New-Year queries for holly-bough the cypress-tree Toss down its blood-red berries. They called our loyal pride but brag.
And fears our tender mercies;
They fired at last upon the flag.
And turned our pleas to curses.

With trop ribs our ark we bind And quit the peaceful haven, The dove no resting-place could find— We send abroad the raven.

No shaft, from foreign kings we fear, That touch our shield and shiver, Their hands combined can draw no spea From the Republic's quiver. No fielding eagle now they seek. But tempt his full-grown ire, Who took a firebrand in his brak And set the world on fire. His battle-challenge thrills our souls

The lightnings gint his pinions, Far as the oceans and the poles He claims for his dominions.
